## SHOCK CONVERSIONS IN LAS VEGAS

# SHOCK CONVERSIONS IN LAS VEGAS

The attack on my back was only the beginning. With fiercer hatred than we have ever known—Satan fought to keep us out of Las Vegas. Now we know why. The picture of these shock conversions says it all.

It is a truism of event planning that you avoid—at all costs—Mother's day night. I felt that we could not wait any longer to come to Las Vegas. But I knew what I was getting myself into.

That entire day I was under the weight of two things: How long would I be able to stand, and how many people would show up. I kept my spirit under the authority of the Word of God. That carried the day.

Something amazing—the thing that terrified Satan from the beginning—has come upon him in Las Vegas. Only God knows how

big and wide this outpouring is going to be.

A massive burden lifted when we drove up and saw the crowd. There are no words to describe the joy and gratitude that I felt being able to stand and preach. Not only preach, but preach an entire soul winning sermon and a complete altar call. This was unimaginable to me just a few days before. I had even put a special cushion on the edge of the stage so I could sit and reset my spine.

The central verses of my message were John 10:10 *"The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."*

The other is John 8:44 *"You are of your father the devil, and the desires of your father you want to do. He*

*was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it."*

I was ordered to be direct and bold. I told them there are two contracts out on all of you. One is Satan who only plans to steal, murder and destroy you. The other is Jesus who only wants to give the maximum life.

When you are outside of Jesus, Satan is your father. He will control every detail of your life for your eternal destruction. Jesus grants eternal life. Jesus unfolds that life every day that you serve him.

The call to serve Jesus was clear and uncompromising. All ages and races charged to the front to be totally saved. God met them in

power. The converts overflowed our counselling tent.

The next night the power grew abundantly. The people came expecting. They brought many who suffered with pain and disease.

Our worship team led by Benjamin Cortez was the perfect preparation for the supernatural. The wonderful presence and power of Jesus entered the tent. I knew it was time for people to be healed.

There is a special appreciation here, in the inner city for divine healing. This is not entertainment to them it is life and death. They are the ones who suffer most at the hands of our broken healthcare system.

It is not easy to recount all of the healings and the startling details the Holy Spirit gave. Truly the people were amazed by the gracious words of knowledge that God granted.

People rejoice with abandonment as they are healed of life-threatening disease and crippling pain. The most ironic healing was a severe spine condition. I couldn't believe I was calling this out!

I called him out and told the person next to him to put his hand on his spine. The man shouted "Don't touch my back, I just had surgery on my spine!"

Then God got hold of him and he spontaneously began bending over, touching his toes again and again, as he shouted praise to God.

Another great miracle happened to the leader of one of the most notorious and violent gangs in America. Jeff, one of our workers felt led to lay hands on him.

Immediately, this man hit the floor under the power of God. Later that night, I spoke with him. For obvious reasons he asked me to withhold his name until later.

You are the biggest reason we were able to come and continue this outreach on the frontlines of a desperate part of Las Vegas.

Now I need to reinforce how urgent your partnership really is. We are watching Satan tear our nation apart with violence, perversion, and addiction. Living Proof Crusades are a greater weapon that we knew for this dark moment in our nation's life.

As I left the tent to go back to my hotel the voice of God said, "multiply." I didn't know what to do with this word. I listened closer. That was when I was overcome with the disaster looming on America.

God is telling me that I can no longer think about adding...I must think multiplication. The time is

too short for addition. The need is too great for addition—we must multiply.

I could see the moment when Jesus ordered His disciples to feed the 5 thousand. It must have baffled the disciples. How could they do it with such meagre portions of bread and fish?

At the wedding at Cana, He demonstrated the miracle of transformation by turning the water into wine. That has been the history of Mario Murillo Ministries... we have seen tens of thousands transformed. Now it is time to make new history—by multiplying!

When Jesus lifted up the loaves and fishes and blessed them—it began the miracle of multiplication. For them it was loaves and fishes. For us, it is technology and leadership. Mario Murillo Ministries must take yet another leap of faith.

*Continued* →

in our hand to increase our impact tenfold. You will see it! Multiple cities being transformed at one time creating a national momentum.

Your seed will also be multiplied back to you. I am not saying that, Jesus is: Luke 6:38 *“Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you.”*

Here is the deepest question of my letter to you: What measure will you use? You can be a hero in a great cause. Don’t measure your gift by human logic. Don’t be offended by God’s choice to make you a provider of a great miracle. Let your heart be moved by the Holy Spirit to sow beyond what you what you thought at first.

Paul said the giver must “purpose in their heart.” Settle it in your heart, not your mind. Say to Jesus, *“this is what I want to give in order to help multiply the miracles.”* God bless you richly!

The small basket of food was a seed planted by faith and multiplied. That is what I believe Jesus is calling on you and me to do. Whatever gift you send will be a seed for us to multiply our impact on America.

We must think in terms of multiple cities at the same time. We must think of multiple tools at the same time. We must embrace the vision of simultaneous soul winning. We must deliver a severe blow to Satan—a D-Day of evangelism.

We all hear the noise, and lies of the media. They scream that our young are turning away from God. But our experience is the extreme opposite. Any night that youth see miracles they turn to Christ. We must smash the lies of the left. We must take our case for Christ directly to youth in the biggest way possible.

Las Vegas will end up being our greatest tent meeting ever. But it is only a model of what must be done on a massive scale. I told my staff that God is about to take the training wheels off of our bicycle.

I believe Jesus is speaking to you—at this very moment—about America and multiplication. Your seed will be multiplied in two directions. It will be multiplied
