**ON YOUR SONS
AND DAUGHTERS**

ON YOUR SONS AND DAUGHTERS

I will begin by describing to you the strange experience I had after God ordered me to study the youth culture. My research became torture as I fully grasped the curse Lucifer has laid on an entire generation.

I could sense the evil one boasting and threatening. He was declaring his wicked intentions: "I will addict them. I will shame them. I will drain them of hope. I will kill them. Then the voice of God roared, **BUT I WILL POUR OUT MY SPIRIT ON THEM!**

That promise blasted its way through some incredible barriers this month. We indeed saw God pour out His Spirit on our sons and daughters.

In our inexorable march to ten cities we met the enemy head on. 1 Corinthians 16:9 says, "*For a great door and effectual is opened unto me, and there are many adversaries.*"

Satan does not fear safe meetings in safe places doing safe things. He convulses when we target him with prayer and action. God is not content to do miracles—He wants to do them where they matter—where they will have the greatest impact.

The firepower of the miracle of the man at the gate beautiful was amplified by two facts: All of Jerusalem knew his condition. And it happened at a prime location: the gate beautiful. This miracle permitted no one to miss it.

The Bible says, "*For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ...*

-2 Corinthians 10:4,5.

The first outpouring we saw was at Bethel Church in Redding. We are here by divine appointment to see an important miracle. Luke 10: 2 says, "*Then He said to them,*

"The harvest truly is great, but the laborers are few; therefore, pray the Lord of the harvest to send out laborers into His harvest."

MMM cannot do it alone. The harvest is too great and we are too few. We are at Bethel to add fuel for saving America. Sunday night I spoke at the church and the fire for souls and taking America fell on the audience. Monday and Tuesday, I stood before thousands of young students at the Bethel School of Supernatural Ministry—students on fire and yearning to be used of God—students who are teachable. God poured out His Spirit on them after they heard my impassioned cry for healing miracles to happen where they matter—in the mainstream of American youth culture.

Bakersfield: We bring Living Proof to a war-torn city. It is here that we face the fiercest battle we have ever known. Gangs don't want us to take away their drug customers and churches are divided against each other. Yet, somehow God blasted through and poured out His Spirit.

The people were ready for signs and wonders and our mighty God did not disappoint. Few times in 50 years of ministry have I felt such intense power.

Let's begin with the miracle of the woman to my left. Without asking, I broke out in Spanish and began to tell her the story of the agony in her body. Her look of excitement and recognition was undeniable. No one could say they were not watching a miracle. Arthritis, and a host of other maladies had turned her right side and legs into a war zone of pain. She freely confirmed the word to be accurate. Then the word became a healing miracle.

She charged across the front of the building demonstrating that all her excruciating pain was gone.

Spinning around, I charged to the other side of the church where I said "Witchcraft is being broken in a family right here!" That family was connected to a woman who controlled thousands of people in entire neighborhoods with Santeria! It was no match for the power of the Holy Spirit.

The flow kept intensifying. I asked my wife to lay hands on a woman as the vivid details of her condition were being revealed by the Holy Spirit. "You have pain and weakness from head to toe. You are being healed! She was in the throes of valley fever which does exactly that... weakens you from head to toe. My wife Mechelle prayer the prayer of faith. Fever broken by the power of Jesus!

Next came a dramatic demonstration of God's power on a precious sister who needed radical healing. The areas identified by the Spirit of God included her heart, liver, lungs, and blood.

In Bakersfield, young souls saw proof. We saw a trend beginning: large numbers of young men are coming to Jesus Christ.

We see miracles that really matter in Manteca:

Before I tell you about this night I must address a crisis: Our culture has declared war on our sons. Manhood is under attack. How important is manhood? Nothing is destroying the inner city more than the absence of real fathers. Nothing has imperiled America in the world more than the limp leadership modeled by Obama. More on this in a moment.

It is a good sign... they keep adding chairs. This is happening most of the night. Another good sign: the house is filled with youth—youth who do not know Jesus—who battle everything devil throws at our children these days.

Special power reverberates in the room. Now the youth see the proof of what I am preaching. A miracle, pure and simple, hits a young lady. I love it when the Holy Spirit's word of knowledge is so clear,

piercing and detailed that people no longer see the man speaking—only God. By the Spirit, the story of her life unfolded. The precise illnesses of her body and the childhood trauma that caused them all was revealed. Her total healing rocks the room.

On the heels of her miracle more healings ignite.

Suddenly, spines straighten, migraine headaches vanish. A man in the back becomes so excited he just gets up out of his wheelchair and begins a little victory dance over his healing. A full 60 minutes of unobstructed healings flood the house with shouts of joy and mass weeping.

God saved the best for last. Never have I seen conviction grip youth like this. It was as if they wanted me to shut up and let them come to Christ. It was an instant response crowned with total surrender.

Take another look at the last picture, once again, the overwhelming majority who come forward are young men. This is beyond good news—this is the growing trend in our crusades. He is pouring out His Spirit on our daughters...and our sons!

The precise illnesses of her body and the childhood trauma that caused them all was revealed. Her total healing rocks the room.
