OCTOBER 2016

In mighty signs and wonders, by the power of the Spirit of God, I have fully preached the gospel of Christ

YOUNG MINDS ARE BEING TWISTED INTO A NATION-KILLING MACHINE

Romans 15: 18-22 ¹⁸For I will not dare to speak of any of those things which Christ has not accomplished through me, in word and deed, to make the Gentiles obedient— ¹⁹in mighty signs and wonders, by the power of the Spirit of God, so that from Jerusalem and round about to Illyricum I have fully preached the gospel of Christ. ²⁰And so I have made it my aim to preach the gospel, not where Christ was named, lest I should build on another man's foundation, ²¹but as it is written:

"To whom He was not announced, they shall see; And those who have not heard shall understand."

²²For this reason I also have been much hindered from coming to you.

Precious Partner in the Gospel of Jesus Christ,

Here is what is happening right now:

A Clemson University administrator stopped a man from praying on campus: "This isn't a free speech area."

American high school students were banned from bringing American flags to football games for fear that it would offend Mexican Students.

San Francisco wants to change the name of George Washington High School because they now view the father of our nation as an oppressor.

New students at Pomona College were welcomed to campus with posters in their dorms giving instructions on "How to be a (Better) White Ally" and stating that all white people are racist.

49er quarterback Colin Kaepernick sits during the national anthem because he believes that Michael Brown was murdered by a cop who was paid to kill blacks. Never mind the fact that Mr. Brown had just robbed a convenience store and was shot while reaching into a police car trying to grab the officer's gun.

The NFL condones Kaepernick.

A new poll says that a majority of youth now support Black Lives Matter.

Law schools are forcing entrants to sign a diversity pledge. They have to support lesbian, gay, bisexual and transsexual causes. Soon this pledge will be an entrance requirement for colleges.

Think of that! A college degree is an essential part of many jobs. Education will be denied to those who do not sign such pledges. It is economic blackmail—it is the Mark of the Beast! Revelation 13: 16 “He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, 17 and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.”

In nearly all colleges Israel is described as the oppressor in the Middle East.

Hollywood, pop singers, sports figures, politicians, tech giants like Google, Apple and Amazon along with countless college professors are turning our children’s minds into a nation-killing machine.

This coalition has untold billions of dollars at their disposal. They control the airwaves—and through Obama and Clinton, the FBI and the IRS. They can rig elections.

Months ago this would have sounded like a tinfoil cone conspiracy—not anymore.

Everything I have said so far is truly scary. Now I want to talk about the solution. Just because I lighten the mood a little bit does not mean I am not still deadly serious.

As a kid, I liked monster movies. (We are indeed in a monster movie right now.) Those of you old enough to remember the black and white monster movies

featured giant insects, aliens and people. The culprit was almost always the A-Bomb tests.

There were two elements in those movies: 1. A dark moment of hopelessness when all weapons failed. 2. A controversial scientist who worked out of a barn.

The military reluctantly had to use the weapon from the barn...the monster was defeated.

I freely admit that MMM is that scientist working out of the barn. When this beast of political correctness first oozed out of the swamp, we started warning the church.

We declared that signs and wonders and the conviction of the Holy Spirit are the only weapons for a brain-washed generation.

We declared that we needed to stop fearing politicians and call them out.

We said young minds needed to hear why the teaching of Jesus is divine and they needed to hear the truth about American history.

Continued →

We declared that signs and wonders and the conviction of the Holy Spirit are the only weapons for a brain-washed generation.

Then the name-calling and ridicule began. We were told it would never work. We were roundly criticized and rejected. None of this stopped us from finishing our divine training under the Holy Spirit.

Then came the summer of 2016. The weapon came out of the barn and leaders began to see how it is exactly what is needed.

We said young minds needed to hear why the teaching of Jesus is divine...

Leaders see how the “make nice” gospel is only making things worse. Influential pastors are breaking with tradition and joining us on the frontline. Most of all... there is a growing recognition that this weapon can kill the monster.

In an added piece of exciting news... phase one of our World Headquarters is now complete. We have secured...and paid cash for a suite of offices in Sparks, Nevada. The name of our offices is **The War Room**. This is our new “barn” and brain center for the next phase of our national invasion.

Your courage to give to the cause of Jesus brought us to this point of victory. The real battle is yet to come. Never and mean never has your gift of love had the power it has now. Please give boldly our nation is running out of time!
